Product Advantages

Kedel recycled mixed plastic planks, decking, cladding, and battens are the ideal alternative to traditional building materials.

- ◆ Strong and robust
- ◆ Maintenance free
- ◆ Uniform dimensions
- ◆ Consistent - no knots or splits
- ◆ UV stable and insect resistant
- ◆ Impervious to water and resistant to algae
- ◆ Does not crack, split, chip or break
- ◆ Requires no toxic preservatives
- ◆ Handles like wood - can be sawn, drilled, nailed, screwed and stapled

British Innovative Recycling Technology

Our recycled plastic comes from mixed plastic waste destined for landfill or incineration.

We source ALL our waste plastic from UK businesses and home collections.

We do not import plastic from Asia which has a huge carbon footprint due to transportation.

It's all your waste plastic turned into something useful and innovative.

- ◆ 100% Recycled
- ◆ 100% Recyclable
- ◆ Our recycled plastic produces 1.66 tonnes less CO2 than production of virgin plastic

SKU CODE	SUGGESTED APPLICATIONS	DIMENSIONS		
		WIDTH (cm)	DEPTH (cm)	LENGTH (m)
MIXPLYBTBK	Raised beds with 50 x 50, pallet slats for food industry, fence pales, general use	100	25	3
MXPLY00023	Fascia boards, quayside buffers, barge boards, raised beds, planters	150	25	3
MXPLY00001	Studding in wet conditions, DPC etc.	50	50	3
MXPLY00013	Studding in wet conditions	75	50	2.5
MXPLY7525	Lawn edging, general building use	75	25	2.75
MXPLY00019	Picnic tables, benches, landscaping, general use	125	50	3
MXPLY00031	As above	150	50	3
MXPLY00025	Benching, quayside buffers, landscaping	300	50	2
MXPLY00010	Handrails, DPC in wet conditions	50	57	1.8
MXPLY00016	Studding or DPC at bottom of wood studding in wet conditions	100	60	3
MIXPOLYV	V-top posts for birds mouth fencing	140	100	2.5
MXPLY00007	Fence posts, skids in boat yards, pallet bases, quayside buffers with 150 x 25	100	100	3
MIXPLYNB	Studding in wet conditions, DPC etc.	38	38	3
MIXPLYRBT	Battens for cladding and roofing	50	25	3
MXPLY000002	Marine decking for steps, fishing pegs, quaysides, pontoons, board walks	150	27	3.6
